HOROSCOPE

For Thursday, Oct. 1, 1998. ARIES (March 21 to April 19) It's good time to lay solid groundwork for the future. TAURUS (April 20 to May 20) Others might not be as thrilled as you think about your plans to make sweeping changes. It might be wise to store those ideas for a while. GEMINI (May 21 to June 20) Although you may not be able to change someone else's deep-rooted opinion, at least he or she will finally be listening to you. CANCER (June 21 to July 22) A radical idea suddenly seems like an extremely plausible course of action. LEO (July 23 to Aug. 22) Being fixed in your opinions will close you off to some marvelous options. Don't be afraid of something unfamiliar. VIRGO (Aug. 23 to Sept. 22) Offering to help a friend in need puts you in the middle of a strange situation. You will need to employ tact to escape unscathed. LIBRA (Sept. 23 to Oct. 22) Implement new systems that will increase your creativity. Your friends and family will be amazed. SCORPIO (Oct. 23 to Nov. 21) A mini-vacation is all you need to put you back in your usual good spirits. Drag a good friend along with you. SAGITTARIUS (Nov. 22 to Dec. 21) Take care of those communication-related matters that you've left hanging. Keep your sense of humor handy. CAPRICORN (Dec. 22 to Jan. 19) You'll soon be glad you saved your pennies for something more worthwhile than that impulse buy. AQUARIUS (Jan. 20 to Feb. 18) For once your strong sense of discipline might be working to your disadvantage. Let loose and have a little fun. PISCES (Feb. 19 to March 20) Your many thoughts and ideas are making it quite difficult to focus.
